The Ultra 90 Series is our professional compact LCD arm mount. Whether mounting to a desk, pole or wall, this mount keeps your monitor close to your mounting surface while still giving you a wide range of adjustment.

UL90-W2-A5-QG

Price \$179 USD

The Ultra 65 is a compact adjustable wall mount. When you need the monitor close to the wall but you still want to retain monitor tilt and pivot, this is the mount you are looking for.

EV65-W2-QG

Price \$110 USD

These flat panel wall mounts securely hold any flat panel monitor with a 75mm or 100 mm VESA hole pattern 1.125" to 2.25" from the wall (depending on the monitor). The key hole pattern wall bracket enables easy installation and removal.

FM25-TB

Price \$46 USD
