ICW Dental – Ultra 95

SPECIFICATIONS

Finish:	Powder coated gray
Weight capacity:	18 lbs (8.16 kg)
Mounting surface:	Ceiling
Screen swivel:	360°*
Screen tilt:	180°*
VESA interface:	75mm and 100mm

*Maximum range. Range will vary depending on the position of the arm and the size of the monitor.

This adjustable mount extends 25.5" - 44" from the ceiling and securely holds most flat panel monitors. This ceiling bracket has a full 360° rotation and tilting capabilities of 270° at both pivoting joints. Locking handles crank the position of the monitor into place. Both 75mm and 100mm VESA interface plates are provided.
